Greetings from Northeast Kansas and welcome to our annual newsletter.

We began our year by singing for the Winter Olympic torch relay when it passed through Topeka, KS. This was one of our latest performances ever (our last set ended after 1am), and it was also one of the coldest, with temperatures reaching down to 20's. We usually perform indoors in January. So after singing and shivering in January, it's been a welcome change to perform in the 80's and 90's this summer.

## Another Dad among us

Congratulations to Mark and his wife Alison who are expecting their first child this November!

## Shuffling Around, part 2

Just as we're getting ready to print new business cards, somebody moves again.

For the second year in a row, both Pete and Kevin have moved within Topeka, and Jason has moved from Lenexa to Topeka. That just leaves Mark living in the Kansas City Metro area (Lenexa).

(Mark writes "Guess who has the longest drive to rehearsals now?") So if you have one of our flyers or business cards and are having a difficult time getting a hold of us, it's quite possible that all four of our phone numbers are wrong. Here are some new phone numbers, as well as our email and mailing address (which haven't changed in years):

Pete: (785) 845 - 8212

Jason: (785) 478 - 0870

Mark: (913) 227-0556

If you are receiving this newsletter by mail and would like to help us save on our postage expense\$, please email us so that we can add you to our email address list.

(We usually email two or three schedule updates per year along with this newsletter)

## Coming your way?

Those of you who've grown fond of seeing us perform at least a few shows in Kansas City every year may have noticed that we won't be there this summer. We will however be very close to the KC metro area on August 10th when we perform at the Johnson County Fair in Gardner, KS, so do come see us.

We're also pleased to be returning to Manhattan's Arts in the Park series this summer. It's hard to believe that 21 summers ago, the original high school version of this group first performed on that same stage. With many Arts in the Park performances by the college version of Streetside in the 80's and the current group in the 90's, this will make a nice homecoming for us.

## Overstock Sale

For those of you who are looking to complete your collection of Streetside albums (four of which are still available), now is a good time to go shopping.

We are currently overstocked on some of our tapes and CDs and so will be offering them at greatly reduced prices. Cassettes of our fourth album (IV) now cost \$5, cassettes of our fifth album (HAPP\_E\_2\_C\_U\_A\_GINN) will be selling for \$5 and CDs of this album will be \$10.

For the rest of our albums, tapes will sell for \$10 tapes and CDs will sell for \$15.

We are sold out of cassettes for our first album (Streetside) and our third album (Remember Then).

Have a great summer and do come by and see us some time!
