Greetings from Northeast Kansas and welcome to our annual newsletter!

As you are about to read, the last six months have been very busy and exciting times for us!

It's a Girl!!!

Congratulations to Mark and his wife Alison on the birth of their first child, Kristen Elise, 7lbs, 20 inches, born November 16th 2002.

It's a Boy!!!

Congratulations to Jason and his wife Jessica on the birth of their second child, Justin Walter, 7 lbs 6 ounces, 18 1/2 inches, born May 23rd, 2003.

Jason is now tied with Kevin for having the most children, but Kevin is still the most experienced parent, with his two children in grade school, Kayla (10) and Brendan (7).

It's a CD!!!

Congratulations to Pete, Mark, Kevin and Jason on the birth of their sixth CD, "Dancin' in the Streets", (3 ounces, 5 1/2 x 4 7/8 inches), due in June, 2003'.

Our Sixth Album!!!

After four years, and many long hours in the studio, we finally have another album!! Our latest release, "Dancin' in the Streets" features songs we have learned and performed over the last four years since the release of our last album, "Happ_e_2_c_u_a_ginn", as well as three new songs we just learned this year (including the title cut).

Like our last three albums, "Dancin' in the Streets" will feature some Elvis and the Beach Boys as well as some of the usual a cappella Doo Wop you've come to expect on all of our albums. There's even a Christmas song to get you in the mood to start your holiday shopping this summer! (Did we mention that our CDs make great stocking stuffers?? Did we also mention that we're prone to shameless marketing?)

Cassettes Anyone?

For the first time in our 13 years of recording, our newest album "Dancin' in the Streets" will not be available in cassette. Sorry folks, but cassettes have been around for nearly 40 years, and cassette players for the home and car are getting harder to find. We do, however, still have most of our other albums available in cassette, and this year we will be dropping the price for all of our cassettes to just \$5 a piece!
