Greetings from Northeast Kansas and welcome to our annual newsletter!

Congratulations to Pete for earning a diploma in Computer Technical Support from Bryan College in Topeka!

For the first time in 5 years, we have a bass alternate.

Rodney Armstrong a Topeka,KS native, is attending Kansas State University in Manhattan,KS this fall for his senior year.

Rodney is a member of Cadence, a collegiate a cappella group of 12 men that perform primarily in the Manhattan area (much as we did 20 years ago).

It's good to come home

In June, we had the pleasure of performing for the dedication of the Larry Norvell stage and band shell (a wonderful new facility) to begin this summer's

Arts in the Park concert series in Manhattan,KS. Mr. Norvell was band director for both Mark (trombone) and Kevin (trumpet) while they attended public schools in Manhattan. Streetside has performed on this stage eight times since 89', plus at least five other appearances by the high school and college groups.

No new arrivals in 03'

A year has now passed since we announced some highly anticipated arrivals.

Mark became a father for the first time (Kristen, 11-16-02), Jason for the second time (Justin, 5-23-03'), and we welcomed our sixth album "Dancin' in the Streets" (June 03').

A year later, our kids have grown bigger and taller (and are busy tearing our houses apart), our wallets have gotten lighter, our backs have gotten more sore, and our sixth album has been well received. Thus, with no new arrivals this year, we turn to the topic of:

Numbers, Trivia and Anniversaries

In September of 1985, the college version of Streetside (which included both Pete and Mark),

ventured out of Manhattan,KS for the first time and performed at the Kansas State Fair in Hutchinson,KS. Four years later, the current group performed for the first time at the fair.

This year will mark the 20th consecutive year that Streetside will be appearing at the fair, and the 16th consecutive year that the current group has been there. Many thanks to our fans who have come to the fair to see us and who have supported us these many years. It's always a pleasure to perform for such an appreciative audience at the fair.

We are pleased to be making two appearances at this year's fair on September 12th and September 18th (see attached schedule).
