Greetings from Northeast Kansas and welcome to our annual newsletter!

Tornado in Stockton,KS

We had the pleasure of performing in the historic Nova Theater in Stockton,KS on May 29th, a 73 year-old theater that has been recently restored

by the community. Eleven days after our performance, a tornado tore through Rooks county and caused structural damage to the theater as well as a grain silo. Our best wishes go to people of Stockton as they repair the damage from the storm. We hope to return to Stockton soon for another performance at the theater.

Returning to Logan

In September, we will be traveling to Logan,KS to perform at their Labor Day festival. This will be our first trip back there since 96', and the third visit to Logan for Mark and Kevin who competed in a track meet there back in junior high school. As with our previous visit, we intend to do a lot of singing, but not a lot of running.

Numbers, Trivia and Anniversaries

2005 marks our third visit to Concordia, our fifth consecutive appearance at the Derby Days festival, our ninth appearance at the Davis Amphitheater in Glenwood,IA over the last ten years, and our 21st consecutive appearance at the Kansas State Fair.
